

CLINTON COUNTY REGIONAL EDUCATIONAL SERVICE AGENCY

Annual Website Report

- A. *General Information: ISDs serve as a central support system for all public, charter and non-public schools that operate within their district. There are 56 Intermediate School Districts (ISDs) or Regional Education Service Agencies (RESAs) in the state of Michigan. No two are exactly alike. Each bases its work on the specific needs of its constituent public school districts. All offer leadership, programs, and services in the areas of instruction, career and technical education, special education, technology, and business relate functions.*

Total Fiscal Year 2022-2023 Expenditures: \$36,932,585

Pupil FTEs: 10,482.55

ISD Employees: 177

Constituent Districts, PSAs, Nonpublic Schools: 12

- B. *Travel Information: As ISDs seek to provide leadership, programs and services to their constituents, staff seek out best practices, gain state and national educational perspectives, gather knowledge and skill levels that reflect the latest trends, innovations and challenges. This requires more travel to conferences and trainings than you would typically experience in a K-12 district.*

There was no air fare, overnight lodging, car rental or meal expenditures for reportable staff in 2022-2023.

- C. *Contract Information: ISDs occasionally enter into contracts with vendors to perform specific services that would not be cost effective or reasonable for the ISD to provide on its own. ISD's must follow state requirements for seeking competitive bids on some purchases. Below are the contracts required to be reported under this section. Contracts marked with an asterisk* were bid.*

- D. *Contract Modification Information: Any contract modifications in excess of \$25,000 for the 2022-2023 school year are detailed below.*

There were no contract modifications meeting this definition for 2022-2023.

- E. *Salary, Expense Account and Supplemental Compensation Information: ISD employees are typically categorized by classification. All classifications are normally established according to demands of the position, level of responsibility, job functions performed, credentials and skills required, etc. Each classification falls into at least one established salary schedule, which takes into account such factors as seniority in position or similar positions, comparison to similar jobs elsewhere in the community, cost of living factors, etc. In addition, some classifications require travel inside and outside of the ISD, attendance at meetings, and attendance at workshops and conferences. Expenses for these activities are strictly limited in a budget approved annually by the ISD Board of Education.*

The Superintendent's contract was \$181,600.

The Director of Instructional Services' contract was \$120,735.

The Director of Special Education's contract was \$115,393.

The Director of the Office of Innovative Projects' contract was \$108,208.

The Alt Shift Project Coordinator's contract was \$107,266.

The Special Education Supervisor's contract was \$101,558.

- F. *Fiber Optic/Cable Equipment and Operating System Software for Fiber Optic/Cable Equipment Networks: Many ISD's utilize fiber networks which benefit students and the community. These high capacity broadband networks interconnect districts, improve the delivery of Internet, instructional and administrative resources while reducing overall costs. Through partnerships, ISDs, local schools, county and other governmental units and Central Police Dispatch (911) have access to fiber wide-area networks that are more affordable for all partners.*

There were no reportable expenditures for Fiber Optic or Cable Equipment or OS Software.

- G. *Public Relations, Polling, Lobbying and Legal Services: The 56 intermediate school districts (ISDs) or regional educational service agencies (RESAs) were created by the legislature in 1962 to bring about quality and equitable educational opportunities to students and schools throughout the state. Because public education is funded and regulated by the state and federal government, it is necessary for ISDs to use some resources to fund activities that promote public accountability, research, and government communications. The guiding principle for all activities of this nature is to advocate for the children we serve.*

Thrun Law Firm provided legal services in 2022-2023 in the amount of \$16,573.58.

Clark Hill, PLLC provided legal services in 2022-2023 in the amount of \$642.

Miller Johnson Attorneys provided legal services in 2022-2023 in the amount of \$2,737.50.

Karoub Associates provided legislative services in 2022-2023 in the amount of \$11,500.

- H. *IRS Tax Form 1099s in Excess of \$25,000: Cost savings can often be realized by contracting with individuals for limited, specialized projects. For the fiscal year 2022-2023, the following projects and services were accomplished under contracts that exceeded \$25,000:*

AGK Consulting, \$63,465.36 for consulting services.

Big Lesson LLC, \$34,000 for consulting services.

Patricia Brummel, \$26,415 for HRA consulting services.

Public Consulting Group LLC, \$101,169.33 for OIP consulting services.

Wensano LLC, \$80,380 for janitorial services.

Dewitt Commerce Place, \$62,444.40 for OIP rental services.

Miss Bonnie LLC, \$57,330 for OIP consulting services.

Smith Lawscapes LLC, \$35,750 for lawn maintenance.

LeeAnn Huff, \$27,900 for HRA consulting services.

- I. *Certain ISD Expenditures: Every organization requires leadership. ISDs within the State of Michigan have been charged by the Governor and the Michigan Department of Education to communicate, train, support, and lead educational initiatives defined by the state and federal government. Most recently these include, but are not limited to, the following: No Child Left Behind, newly enacted high school graduation requirements, the Michigan School Improvement Framework, and the new Grade Level Content Expectations for the core subjects. ISDs are required by law to meet the individual and specialized needs of students within our region including the areas of Title I, Special Education, and Career and Technical Education.*

Administrative costs for 2022-2023 were \$687,007.00 and amounted to 1.86016% of total expenditures.

Public Relations, surveys, polling, lobbying and legal fees totaled \$31,453.08 and amounted to .08516% of total expenditures.

- J. *Motor Vehicle Expenses: Because ISDs serve numerous districts, sometimes covering large geographic areas, certain vehicles might be provided for specific transportation needs.*

Clinton County RESA owned a 2010 Dodge Grand Caravan and a 2018 Dodge Grand Caravan in 2022-2023 to provide student transportation. The RESA also owned a 2016 GMC Savana, which served as a maintenance vehicle.
